hands

- Too big
- fingers go weird
- Too long
- Like brown
- like large buttons
- like palm rest

#### Favorite

Amazon - Supported A1-D3 very well, good support on F3 and F4

Lenovo - Similar to amazon, not as much support on F4

Microsoft - f3 and f4 were unsupported, leaving an uncomfortable feeling in the hand

Apple - E1 could not reach side button. A3-D3 were entirely unsupported.
